The Invalid's Friend.

HOLLOWAY'S PILLS
Nervous Disorders.
What is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? Here is one:—Drink but little wine, beer, or spirits, or far better abstain from them altogether; do not take coffee—weak tea is preferable; get all the fresh air you can; take three or four of the Pills every night; eat plenty of solids, and avoid the use of slops If these golden rules are followed, you will be happy in mind, strong in body, and forget you have any nerves.

Mothers and Daughters
If there is one thing more than another for which these Pills are so famous, it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous, and renewing suspended secretions Universally adopted as the one grand remedy for female complaints, these Pills never fail never weaken the system, and always bring about what is required.

Disorders of the Kidneys.
In all diseases affecting these organs, whether they secrete too much or too little water, or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the region of the kidneys, these Pills should be taken according to the printed directions and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief after all other means have failed.

Stomach out of Order.
No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver, and reduce it to a healthy action, they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of the liver and stomach.

Bronchitis, Diptheria, Coughs and Colds
No diseases are more frequent, few more dangerous, than affections of the respiratory organs The first symptoms of disordered action may always be removed by Holloway's renowned Pills. They quickly remedy any temporary stagnation of the blood, relieve the overgorged veins, moderate the hurried breathing and enable the windpipe and lungs to perform their functions with ease and regularity. These Pills by their purifying powers cleanse the blood from all impurities and thus fortify the system against consumption, asthma, and other pulmonary complaints

Debilitated Constitutions
In cases of debility, languor, and nervousness, generated by excess of any kind whether mental or physical, the effect of these Pills is in the highest degree bracing, renovating and restorative. They drive from the system the morbid causes of diseases re-establish the digestion, regulate all the secretions, brace the nervous system, raise the patient's spirit, and bring back the frame to its pristine health and vigor

Biliousness, Loss of Appetite, Headache, and Lowness of Spirits.
These Pills effect a truly wonderful change in debilitated constitutions, as they create a healthy appetite, correct indigestion, remove excess of bile and overcome giddiness, headache and palpitation of the heart.

Holloway's Pills are the best remedy known in the world for the following diseases:

Ague	Dropsy	Jaundice	Secondary Symptoms
Asthma	Dysentery	Liver Complaints	Tic-Doloureux
Bilious Complaints	Erysipelas	Lumbago	Tumours
Blotches on the Skin	Female Irregularities	Piles	Ulcers
Bowel Complaints	Fevers of all kinds	Rheumatism	Venereal Affections

BRITISH COLUMBIAN MINES.

The mining intelligence which we publish this morning is on the whole satisfactory It is true there are not as many claims paying in Cariboo as we would wish, nor so many men employed as we should desire; but there has never been yet in any gold country universal success or unalloyed satisfaction. In the best days of California or Australia there were dead broke miners and disheartened storekeepers, and no end of sages declaring that the country had "gone in." The tide rolled on, however, despite prophecies and gloomy forebodings, and year after year turned out its addition to the general wealth of the world. Cariboo has gone through all the phases of gold mining existence. It has seen the excitement of the newly discovered gold-field when everything bore the gorgeous hue of hopefulness, and it has witnessed the relapse when everything indicated the most unmistakable feeling of despair. As in the one case, however, the success was overdone, so in the other the misfortune was exaggerated. At present we are laboring under both these conditions. From one source we learn that the miner never was so successful, and from another that things are extremely dull. If we drew the medium line we would approach nearer the truth. The worst is, however, we cannot draw the medium line with Cariboo. The country has always been and is now a country of extremes. To-day we hear on the one hand of the Ericsson claim having taken out the last week in July the enormous yield of $41,000, and on the other that men are out of work and many claims not paying expenses. Taking, however, the good with the bad, we have no reason to be dissatisfied with general results. We find that the yield of gold for the two past months has reached the very large figure of $950,648, or nearly double the amount taken out during a similar period last year and by a greater number of men. If this were distributed equally among the mining population it would give the largest general average ever known in a gold country before. In California or Australia the total yield will not pay $10 per week to the man; yet here we have the enormous proportion of $60 per week to every individual miner in Cariboo. We cannot, however, distribute the wealth of the gold field with mathematical equality—nature or fortune must have her favorites, and while she showers her riches in profusion in one quarter, allows another locality to languish and die through a golden drought. Hence while we hear of dividends being paid of $3,680 per share per week, we are informed that other companies are striving almost in vain to pay expenses. This is really the great evil of Cariboo, but it is one which afflicts most gold countries and which we cannot well remedy. The inequality of the dividends as well as the uncertainty of the general results will always make the gold mines disheartening to some and ruinous to others. There are, however, differences in the character of gold fields as there are in all other fields that absorb the labor of man. We have the rich but speculative, and the poor but well distributed diggings. Where we can combine them both we hit, as nearly as possible, the perfection of a gold mining country; but where we are obliged to depend on mines of the nature of those in Cariboo, we not only lean upon an uncertain staff, but imbue the whole traffic of the country with a speculative character that is bound at some period or other to produce wide-spread disaster. With all the richness, therefore, of the Ericson and other claims in Cariboo, it is only natural we should turn our eyes with anxious interest to those other auriferous localities farther south, and which promise to be better adapted to the poorer class of miners. The news published elsewhere from the Big Bend, although not very complete, is still assuring, and the intelligence from the Kootenay is no less indicative of better times. The great fact which the various and newly discovered gold fields between Cariboo and the 49th parallel disclose is the very significant one that British Columbia is a gold mining country in the real sense of the term—that it is not Fraser river nor Antler and Williams' Creeks which have got a monopoly of the golden deposits, but that the precious metal is to be found, and in paying quantities, from Fort George to Colville. This is worth the best news that could be received from Cariboo; for it shows that whether we are the lucky ones to take the gold out or not, the gold is there and in sufficient quantities to justify an immigration. When the roads now in construction are completed, and when the same facilities which now present themselves to the miners of Cariboo for obtaining cheap provisions, are afforded, we shall have a stream of population and a stream of wealth flowing between Victoria and the Southern mines more in keeping with the greatness of the resources of the country. The present season will, however, unfold pretty clearly our future destiny. With two more months even at Cariboo—where flour is but 22 cents a pound and beef from five to ten—what may we not expect? Never before, at all events, had this golden region the same opportunity for development

MELANCHOLY ACCIDENT AT LANGFORD LAKE—Mr. Mark Corbiniere, aged 30, eldest son of Mr. P. Corbiniere, merchant of this city, was most unfortunately drowned yesterday at Langford lake under the following circumstances. About 50 of our French citizens went out to the lake to enjoy a picnic in that picturesque spot; the party partook of lunch between one and two o'clock, after which dancing was resumed, and while this was going on Mr. Corbiniere left the company and went to the water edge where some boys were bathing. He then appears to have taken off his clothes, entered the water and swam out to near the middle of the lake. Shortly afterwards the boys noticed that he had disappeared, but do not seem to have been apprehensive of danger, and did not join the rest of the party for about half an hour, when they related the circumstance to a few of the party. There was nothing in the shape of a boat or canoe on the lake, and although some friends went into the water they failed to detect the missing man. Shouts were raised, and fancying that they heard a reply further search was abandoned, and the seekers returned to the festivities. The missing man, however, did not appear, and the alarm then became general. On returning to the lake the party found the clothes still lying upon the bank, and it was evident to them that the unfortunate man had met with a watery grave. Information was at once conveyed to town, and several friends of the deceased left during the evening for the lake, taking with them a boat and grapnels to endeavor to find the body.

SUPREME COURT.—An application was made yesterday by Mr. Drake on behalf of the Bank of British Columbia to compel the assignees in Culverwell's estate to deliver up a security of $700. Mr. Bishop opposed. The facts of the case were as follows: Culverwell had deposited the security in the bank, but, before absconding had obtained it from the cashier to recover the amount secured. The document was, however, taken by Culverwell to San Francisco and only recently sent up by a Mr. Kurtz for collection on a summons. The assignees received the security from Kurtz, and the bank demanded it from the assignees. Judge Cameron refused the order on the ground that the security having passed into the hands of the assignees could not be transferred.

MRS. COLLINS' BENEFIT—The complimentary benefit tendered by Amateur performers to Mrs. Julia Gould Collins, will take place, we understand, early next week. Some rare attractions will appear in the programme and everything is being done to make the occasion worthy of public patronage. Capt. Lang has been applied to for the services of the Volunteer Band, which we learn will be granted. Before the curtain rises a prologue written for the occasion is to be delivered.

AN UNFORTUNATE FAMILY—We yesterday ecorded the death of a Mrs. Brunn of Whidby Island. Mrs. Brunn was the daughter of Mrs. McCroon, who with her son and daughter was drowned by the capsizing of a canoe near Oak harbor some twelve months ago. The husband of Mrs. Brunn was mortally stabbed by a whisky seller about 18 months ago; nearly the entire family have thus died within two years.

THE CRICKET MATCH—The following are the names of the Victoria players who will meet eleven of H.M.S. Sutlej at Colwood on Saturday:—Messrs. Clarke (captain), Daniel, Whittaker, Plummer, Howard, Bacon, Callingham, Wilson, Fowler, Edwards, Alport, Scorer, Mr. E. R. Thomas; Umpire, Mr. Partridge. Mr. Bowman's omnibus will convey the players and friends to the ground, starting from the Bee Hive at 9:30 a.m.

TREASURE—The steamer Enterprise yesterday brought $187,000 in gold bars for the Bank of British Columbia.

AMERICAN BELLES.—America is justly proud of her beautiful ladies, but how many mar their beauty, and lose their health and youth, become prematurely old in appearance by neglecting to take proper care of their teeth. There can be no excuse for this, as SOZODONT, pronounced by all worthy a place between the sweetest lips, can now be had in all civilized countries.
Sold by Druggists and Perfumers.

VOLUNTEER COMPANY NO. 2.—A meeting of the members who have enrolled themselves to form Company No. 2 of the Volunteer Rifle Corps, was held last evening in Smith's Building. Mr. Seelye occupied the chair. Capt. Lang offered some information on the result of an interview he had had with His Excellency as regards the proposed modification of the oath of allegiance with a view to the admission of foreign gentlemen. His Excellency personally would be very willing to adopt the proposition, but stated that he had not the power to do so without instructions from the Home Government and suggested that these gentlemen should in the interim be drilled in the regular way, and they should be supplied with Government arms. The Chairman was anxious on behalf of those who had been most active in the movement to disclaim any intention of holding office as seemed to be the opinion of some of those whom they had canvassed. Capt. Lang also took occasion to disclaim on the part of No. 1 Company a like intention. Tuesday next, the 15th, was appointed for the first drill. About 40 members have at present joined. Mr. J. Woollacott acts as secretary *pro. tem.* of No. 2 Company, and will be glad to receive the names of gentlemen desirous of being enrolled.

BIG BEND DIGGINGS.—A letter dated Lytton, August 5th, written by a trader to a merchant in this city, has the following: "It will not be unpleasant to hear that we have now positive news from the Big Bend, and that the diggings are not only good but extensive. Parties are going up to build flat boats on the lakes; several trains are actually in the woods cutting their way through. Mr. Ladner has sent part of his mule train through light, and is boating his goods to the head waters. I shall soon be able to give you further particulars as a friend of mine starts to morrow with 32 packs." A gentleman who arrived yesterday by the Enterprise informs us that on his way from Cariboo he had an interview with Mr. Stone, who left Big Bend on the 31st July, and stated that there were about 120 men on Carnes and Gold Creek, which were about 40 miles apart. The water was still too high to enable them to work to advantage, but the miners were sanguine that when the water receded they would make good wages.

FIREMENS' MEETING—The regular monthly meeting of the Board of Delegates of the Fire Department, was held last evening in the Deluge Engine House. There was a full attendance. Returns for the past six months of members entitled to vote, and other matters, were disposed of. The Secretary informed the meeting of the result of an interview had by the Chief Engineer, President, and Secretary with the Colonial Secretary in reference to the prospects of obtaining the appropriation voted by the Legislature for the use of the Department. The Board was satisfied to await the fulfilment of hopes of payment held out.

THE GOVERNMENT EXPLORING PARTIES—From a gentleman who arrived on the Enterprise yesterday we have the latest intelligence of the movements of the prospecting parties sent out by the Government of British Columbia. The party under Chas. Ettershanks, was about three days' travel east of Mr. Summers' House in Horsefly Valley. They were sinking a shaft on a tributary of the Horsefly River, with very fair prospects. George Weaver's party were prospecting the country around the upper waters of the Thompson, but at latest dates had not struck anything.

AMPUTATION—Yesterday, Doctors Dickson and Ash performed the operation of amputating the thumb of Capt. Stratton, who it will be remembered, recently met with an accident by which that member was crushed. Dr. Ash administered chloroform to the patient while Dr. Dickson entirely removed the injured thumb. The sufferer is doing well.

CARIBOO MARKET.—The prices of provisions in Cariboo are as follows:—Flour, 22c ℔ lb; bacon, 50c (a drug in the market); beans, 30c; coffee. 75c; tea, $1; sugar, 50c; hams, 62½c; butter, $1; syrup, 50c; rice, 30c; potatoes, 18c; turnips, 15; onions, 50c; beef, 5 to 10c; mutton, 35 to 40c.

ACCIDENT—The Assistant Engineer of the steamer Thames yesterday fell in the engine room and broke his arm. He was at once conveyed on board H. M. S. Sutlej, where the limb was set, and the sufferer was subsequently conveyed to town.

QUARTZ ON WILLIAMS CREEK—A quartz ledge has been discovered on Williams Creek, two miles above Richfield, which assays as follows:—Silver, $44 85; gold. $124 03; total, $168 88 to the ton.

BRITISH COLUMBIA ITEMS.

[From the British Columbian.]

LOW FREIGHTS—Freighting is being done from Yale to Soda Creek for five cents per pound.

SALE OF CONFISCATED OPIUM—Seventy-four cans of opium, seized by the revenue officer, Captain Wylde, were sold by auction on Saturday, realizing $290.

The election of Chief and Assistant Engineers for the city took place on Monday, when Mr. J. Scott, and Mr. S. T. Tilley were elected Chief and Assistant respectively without opposition.

H. B. CO.'S CHANGES—We learn that Mr. Charles, H. B. Co. Trader at Yale, is about to leave shortly for Victoria, and will be succeeded at Yale by Mr. McKay, of Kamloops.

THE NEW WESTMINSTER YALE ROAD—We learn that the road is chopped from Hope to a little above "the Sisters." As soon as it is cut through to Yale, grading will be commenced there and at Hope, the parties working downward.

ROAD TOLLS—The road tolls collected at Yale during the month of July were $2 704. 60, and at Hope during the same period, $1, 848 75. It will be seen from these figures that Hope has pulled up wonderfully—the result of the Kootenay trade of course. Large numbers of animals, probably quite a thousand, are now employed in that trade.

MUNICIPAL ELECTION—The nomination of candidates to represent the several wards in the Municipal Council took place on Monday, and resulted in the following gentlemen being elected: Ward No. 2, Messrs. W. J. Armstrong, Clute, and J. C. Armstrong. Ward No. 3, Messrs. Calder and Robson. Ward No. 4, Messrs. Sutherland and Bonson. Ward No. 5, Wylie. Ward No. 6, Tilley. Ward No. 7, Wilson. For Ward No 1 there were three candidates, Messrs. Murray, Ferris and Handy, and the show of hands being declared in favor of the two former, a poll was demanded for Mr. Handy, but he subsequently withdrew. Messrs. Clarkson Dickinson, Grieve, Miller and Cunningham declined to be nominated.

CUSTOMS RECEIPTS for week ending Saturday, August 5th, 1865: Duties (import), £727 15 8; gold (export), £131 3 11; harbor dues, £22 14 6; headmoney, £13 12; tonnage dues, £17; fines and seizures, £18 16 7. Total, £661 2 8.

HOLLOWAY'S PILLS for Indigestion, Stomach and Liver Complaints.—Persons suffering from any derangement of the Liver, Stomach, or the Organs of Digestion, should have recourse to Holloway's Pills, as there is no Medicine known that acts on these particular complaints with such certain success. They strengthen the tone of the Stomach, increase the Appetite, purify the Blood, and correct depraved Secretions. In Bowel complaints they remove their primary cause, and soon restore the Patient to sound health. Nervous or sick headaches, and depression of spirits, may be speedily relieved by a course of these Pills. They are composed of rare balsams, without the admixture of a grain of Mercury, or any noxious substance, and are as safe as they are efficacious.

LATER FROM SAN FRANCISCO.

FIRE AT WALLA-WALLA.

Special Dispatch to the "Colonist."

JACKSONVILLE, Aug. 7
(Received at New Westminster, Aug. 8).

The following is a private despatch from Messrs. Dugan & Wall, Crescent City, to C. C. Beekman of this place:

CRESCENT CITY, Aug. 3—No more saved from the Brother Jonathan since our last, and no signs of the wreck whatever; think that everything has drifted South. Have had boats out all the time up to this morning. Have given up all hopes.
Signed DUGAN & WALL.

SAN FRANCISCO, Aug. 7—Shung Wing, the Chinaman who was convicted of murdering his mistress, was to-day sentenced to be hung on the 28th of September. He looked as stoically indifferent when his sentence was interpreted to him as he did throughout his trial.

James Smith, Terrence Crites, Daniel Fraser, W. Nichols, James McEver, and Wm Parks are under arrest for resisting an officer, and Wm. Boggs, E. Hathaway, W. A. Nichols, Jacob Rockmayes and Daniel Fraser have also been arrested for driving piles in the harbor of San Francisco. It seems that the defendants were engaged in driving piles yesterday in Spear street between Harrison and Bryant, under the direction of parties who claim to have a lease from the State Harbor Commissioner. An officer was first sent to arrest the pile drivers when he was resisted in the discharge of his duty and it became necessary to call in reinforcements before the workmen could be arrested.

NEW YORK, July 14—Barnum's Museum was totally destroyed by fire to day, and nearly the entire collection of curiosities lost. The Herald and Express offices, and Astor House and Belmont Hotel were saved by great exertions. The fire is believed to have been the work of an incendiary, owing to the farce of Jeff Davis in petticoats having been played in the Museum. Barnum has telegraphed his agent to be ready to sail for Europe to get another collection of curiosities.

Second Despatch.

SALT LAKE, August 8—Received at New Westminster, August 8, 9 p.m.—The following items are from Denver papers of July 22:

NEW YORK, July 14.—The *Herald's* Charleston correspondent of the 8th instant says white people of the country about Charleston, Allen Island and Cooper Creek were greatly excited at the beginning of the month by the report that the negroes in that region to the number of several thousand intended to rise in rebellion on the sixth, and march in a body to the city stores.

It was traced to no reliable source, but to make matters secure bodies of troops were sent to different points in the district named. The health of Charleston is said to be excellent, except among the negroes who are dying off in large numbers.

NEW YORK, July 14.—The *Herald's* correspondent says the majority of Carolina planters though so recently most uncompromising advocates of slavery already begin to look on emancipation as a benefit to them, and are inclined to the opinion that compensated labor in the end will be far the most profitable and satisfactory to land owners generally. Crops in South Carolina are yielding abundantly. Some trouble has arisen between citizens and troops at Charleston, rendering it necessary for the Commander of the post to disarm the citizens and issue stringent orders to troops not to molest citizens.

PORTLAND, August 7.—A fire broke out at Walla Walla about one o'clock on the morning of the 2nd instant which destroyed about fifty buildings, being over half the lower portion of the town; the loss is two hundred thousand dollars.

ADDITIONAL NEWS.

[Telegram to the Columbian.]

SAN FRANCISCO, Aug. 4—The Brother Jonathan carried a valuable cargo on which there were insurances in San Francisco as follows: California Insurance Company, $20 000; California Lloyd's, $13 000; Merchant's Mutual, $10,000; Bigelow & Bros, $2 500; Falkner, Bell & Co., $2,300. Total, $47,800.

SAN FRANCISCO, Aug. 5—No additional news has been received from the scene of the Brother Jonathan's wreck since our last issue. A large number of the relations and friends of the passengers, among them Col. Wright, son of Gen. Wright, and Mr. Knowles, brother-in-law of Jas. R. Richards went up by the Del Norte this afternoon to the scene of the accident in hopes of recovering the bodies of their friends. A rigorous search of the coast in the vicinity of the catastrophe will be made for that purpose, and there is a probability that some of the passengers may be found alive.

The Gould and Curry Co. declared a dividend to-day of $60 a foot.

A correspondent of the *Bulletin* writing from Santa Barbara, says that a disastrous fire occurred at the old mission of Paresama in Santa Barbara about the 20th July, which destroyed nearly all the buildings outside the church belonging to that old establishment.

The overland line is still down beyond Salt Lake.

Local news very meagre. The fifth Industrial Fair, under the auspices of the Mechanics' Institute, will open on Wednesday evening next. The Hon. Frank M. Pixley will deliver the opening address.

BRITISH COLUMBIA.

Latest from Cariboo.

The steamer Enterprise arrived yesterday from New Westminster with about 50 passengers, $187,000 in treasure, and Barnard's Cariboo Express in charge of Deitz & Nelson, with dates to the 31st ult.

The intelligence from Cariboo, notwithstanding the enormous yield of the Ericson claim, is not particularly encouraging. Trade was still depressed and money very scarce.

The weather was very fine and the miners in good health.

The announcement that the Sawmill, Aurora, Watson and Borealis Companies had been laid over by order of Judge Begbie pending a law suit between the claim owners appears to be erroneous, the injunction granted being simply to restrain the parties from working a small angular piece of ground in dispute between the claims in question.

MINING INTELLIGENCE.

(From the Sentinel.)

Unparalleled Yield of the Ericson Claim Above $160.000 taken out in Seven Weeks.

The prestige of Cariboo is well sustained this season by the famous Ericson claim, which has thrown all others into the shade by its extraordinary yield of the precious metal. The present is the third year the claim has paid the shareholders large dividends, but since this season opened it has given forth its treasures in far greater abundance than at any previous period since it afforded evidence of being a mine of wealth. Gold was first taken out in the fall of 1863, but the amount divided amongst the shareholders was not very great. In 1864 the claim paid about $8,000 clear to each interest, or nearly $90. 000 net to the company. The dividends for this season, including this week, will amount to nearly $14 000 to the share. Although there may have been claims in Cariboo which have equalled the Ericson in the amount taken out in one day, yet we believe there is not one that has equalled its production for seven successive weeks like that given below. On the 27th instant 986 ounces were washed out. The following is the yield for each week for the seven weeks ending to day:

17th June,	900 ounces....	$14 400
27th June,	640 ounces....	$10 240
1st July,	1400 ounces......	$22 400
8th July,	19 6 ounces.....	$30 816
15th July,	1256 ounces.....	$20 096
22nd July,	1300 ounces....	$20 800
20th July,	2620 ounces....	$41,920
	$10,042	$160,672

Upon the above the company are compelled to pay the Government $5000. We append the names of the shareholders, with their nationality, which indicates the cosmopolitan character of a portion of our population. Mr. John Nelson, foreman, a native of Norway; John Taggart, Ireland; Mr. Alexander Ericson, Sweden; Peter Ericson, Sweden; Alex. McKenzie, (merchant, Cariboo) Scotland; Ephraim Harper, Canada; E. B. Holt, Canada; David Grier, Wales; Evan Davis, Wales; John Kerrin, United States; W. J. Miller, United States; Charles Taft, United States; Samuel Thomson, Norway; Peter Peterson, Denmark; M. Smith, United States. The above is not an index of the nationality of the population generally on the creek. British subjects being in the majority of about two thirds to one third foreigners

It is a singular fact in connection with the very ground on which the Ericson company have taken out the above large amount of gold, that Hard Curry and Charles Hendricks took it up in 1862, and sunk a shaft in the fall of that year 60 feet deep, a large quantity of water breaking in put a stop to their work and they abandoned the claim, thereby losing a fortune.

The amount of dividend to each share for the past week was 230 ounces or $3 680 The following were the washings up during the week:

Tuesday, 25th July,	502 ounces	
Thursday, 27th July,	986	"
Sunday, 30th July,	1132	"
Total,	2620	"

Enormous Increase in the Production of Gold in Cariboo in 1865.

Although there has been a combination of circumstances which have tended to retard the progress of Cariboo during the present year, yet at no previous period have the mines yielded so abundantly as since the opening of the present season. Little over two months have elapsed since the miners arrived on the various creeks in the district, and considering the extremely limited population, not above two thousand miners, the amount taken out is altogether unparalleled in the history of the gold fields of this or any other country. If this territory were under a Government that would foster and encourage a mining population instead of grinding men down by exceptional taxes so as to force them to leave the colony, in place of only one million dollars being produced in two months in this vast district, there would be nearer four or five millions. It is well known that within a very few miles of Williams Creek there are innumerable creeks and gulches capable of sustaining an immense population, and yielding easily $5 to $6 per day to the hand, but they are completely neglected and unworked, simply because miners will not stay where the Government seeks to drag the last cent out of their hard earned money to taxes to support its iniquitous extravagance. The following statistics, collected from the most authentic sources, speak for Cariboo's immense resources better than volumes of glowing narratives like those published in other countries about their gold fields:

Gold Produced in the first part of Mining Season of 1865—two months ending 29th July.

Purchased by Bank of British Columbia and exported to the head office up to 24th July inst	$410,324
Purchased by the Banks of British North America and British Columbia since 24th inst.	40,000
Purchased and exported by merchants and packers to date	30,000
Amount in the hands of miners and deposited by them for safe keeping in the Banks of British Columbia and British North America	470,324
Total production in two months of 1865	$950 648

Amount of Gold Produced in same period in 1864

Purchased by Bank of British Columbia and exported to the Head office up to 1st August	$267,745
Purchased and exported by merchants, &c	20,000
Amount in hands of miners and deposited by them for safe keeping in Bank of British Columbia	287,745
Total production in first two months of 1864	$575,490
Increase for 1865	$475,158

It will be seen that there is an increase of nearly one hundred per cent, or half a million dollars. The estimate of the amount in the hands of miners is believed to be under the actual sum, as very few shareholders sell more than a fourth of their gold here, while we allow in our calculation one half as disposed of. One company alone that we are aware of holds more than a fifth of the whole amount set down as in the hands of miners in 1865. It must not be forgotten that the population of Cariboo this year is not half that of last year.

Williams Creek.

The claims generally on this creek are not paying so largely as formerly, but there are a greater number paying moderate and steady incomes to their shareholders. In the early part of the week the water in the creek had fallen very low and claim owners were beginning to apprehend a scarcity, but their fears have been completely dispelled by the copious showers of yesterday and last night which have raised the creek to its spring like appearance. On the upper part of the creek (above Richfield) several companies are working, taking out from $10 to $20 to the hand. From Richfield to the canon ground sluicing and hydraulicing are going on with good prospects of success. The Bed Rock Flume Company are engaged in washing up, and the manager is sanguine of the results being satisfactory. Hard Curry is giving his old claim a thorough prospecting and with hopes of success. At present large quartz boulders are a great obstacle to progress. The interior of the claim, however, looks exceedingly well, and the skilful manner in which the work is conducted reflects credit on the foreman's judgment; the substantial manner in which the claim has been timbered is quite a feature in the underground work at present being carried on by the enterprising and fortunate owners; the claim is paying rather more than expenses The Summit Co. have not met with success yet in their operations; they are sticking to their work, however, like men, and deserve credit for their perseverance. The Barker Co. are drifting from their new shaft.

The Bald Head Co. have got into good pay, having washed up as much as 40 ozs. on Tuesday last. The Rough and Ready Co. are making wages The Hibernia Co have got their new machinery at work and hope soon to strike on the lead. The Welch Co. are making more than wages. The Hit or Miss average 30 ozs. a day. The What Cheer Co.s' prospects are very good. The Morning Star Co average about 20 ozs. per day. The Aurora Co. are doing well, they expect to have about 300 ozs. this week; from one handful of dirt taken up off the bed rock on Thursday, by the secretary, above 3 ozs of gold was washed out. The Davis Co. washed up on Thursday, for the first time, when the yield was 20 ozs; to-day they washed up between 30 and 40 ozs. The Wake up Jake Co. are doing well. The Cariboo Co have resumed work in their upper shaft. The Lillooet Co. are still persevering with their work The Beauregard and Confederate Co are in good pay again. In one day this week they washed up 60 ozs. The Cameron Co are averaging 40 ozs. per day. The Tinker, Never Sweat, Dead Broke, Last Chance, Raby, Prince of Wales, Brace and Elliott companies are paying more than expenses The Forest Rose Co. are sinking a new shaft; they are taking out from 25 to 30 ozs per day from their old shaft. The Prairie Flower Co. have not got into pay yet.

M'ARTHUR'S GULCH.

The Discovery Co, on this gulch, struck a good prospect last week and have since been doing well The Burning Moscow have drifted a considerable distance from their shaft but have not found anything. The Artesian Co. are now on the high road apparently to prosperity; the full depth of the pay dirt is not yet ascertained but it is believed to be more than seven feet. The machinery erected on this claim is of the very best construction, not being surpassed by any on Williams creek; it works exceedingly well and keeps the diggings quite dry. The utmost economy is used in carrying on the work, and from the evidences which we saw of this claim being a profitable one, we have very little doubt of its creating an excitement before the end of the season and attracting many persons to the meadows again.

THE ARTESIAN COMPANY.

The report yesterday (Sunday) from this company is excellent, very coarse gold has been found and it is expected there will be a large yield during the present week.

HOLLOWAY'S OINTMENT AND PILLS.—Fistulas, Piles, Excoriations, and Strictures, are speedily relieved and ultimately removed by applying this Ointment after fomentation with warm water. Persons suffering from these scourges of the human frame should arrest their progress at once, for it is both insidious and rapid. Fistulas, if long allowed to go on unchecked, not only weaken the nervous system, but destroy life. The sooner these inestimable remedies are used the more certain is success; yet none should despair, hopeless cases have often yielded, and the sufferer has been saved a painful death. In excoriations, a few applications of this healing Ointment effect a cure, while the Pills, conjointly used, are especially beneficial in relaxing and removing strictures, whatever their situation or duration.

HOLLOWAY'S PILLS.—A Remedy for Bilious and Liver Complaints.—Those who suffer from bile and liver complaints should try the effects of this valuable remedy, a few doses of which will make the sufferer feel elastic and vigorous, remove all impurities, give a healthy action to the liver, and strengthen the stomach. If bilious attacks be allowed to continue without using such a preventative, more serious casualties may arise, and the sufferer be consigned to a bed of sickness Holloway's Pills are an extraordinary remedy acting immediately in the removal of acidity of the stomach, indigestion, debility, and nausea preparing the food thoroughly for assimilation rendering each tributary organ perfect in its function, and stimulating the kidneys

HOLLOWAY'S OINTMENT AND PILLS, a certain remedy for diseases of the skin—Ringworm, scurvy, scrofula, or king's evil, sore heads, and the most inveterate skin diseases to which the human race is subject, cannot be treated with a more safe and speedy remedy than Holloway's Ointment and Pills, which act so peculiarly on the constitution, and so purify the blood that those diseases are eradicated from the system, and a lasting cure is obtained. They are equally efficacious in the cure of tumours, burns, scalds, glandular swellings, ulcerous wounds, rheumatism, contracted and stiff joints. These medicines operate mildly and surely The cure effected by them is not temporary or apparent only, but complete and permanent.

HOLLOWAY'S PILLS

Nervous Disorders.

What is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one:—Drink but little wine, beer, or spirits, or far better abstain from them altogether; do not take coffee—weak tea is preferable; get all the fresh air you can, take three or four of the Pills every night; eat plenty of solids, and avoid the use of slops. If these golden rules are followed, you will be happy in mind, strong in body, and forget you have any nerves.

Mothers and Daughters

If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous, and renewing suspended secretions. Universally adopted as the one grand remedy for female complaints these Pills never fail, never weaken the system, and always bring about what is required.

Disorders of the Kidneys.

In all diseases affecting these organs, whether they secrete too much or too little water, or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the region of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time This treatment will give almost immediate relief after all other means have failed.

Stomach out of Order.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver, and reduce it to a healthy action, they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of the liver and stomach.

Bronchitis, Diptheria, Coughs and Colds

No diseases are more frequent, few more dangerous, than affections of the respiratory organs. The first symptoms of disordered action may always be removed by Holloway's renowned Pills. They quickly remedy any temporary stagnation of the blood, relieve the overgorged veins, moderate the hurried breathing and enable the windpipe and lungs to perform their functions with ease and regularity. These Pills, by their purifying powers cleanse the blood from all impurities and thus fortify the system against consumption, asthma, and other pulmonary complaints.

Debilitated Constitutions

In cases of debility, languor, and nervousness, generated by excess of any kind, whether mental or physical, the effect of these Pills is in the highest degree bracing, renovating and restorative. They drive from the system the morbid [illegible] diseases re-establish the digestion, regulate all the secretions, brace the nervous system, raise the patient's spirits, and bring back the frame to its pristine health and vigor

Biliousness, Loss of Appetite, Headache, and Lowness of Spirits.

These Pills effect a truly wonderful change in debilitated constitutions, as they create a healthy appetite, correct indigestion, remove excess of bile and overcome giddiness, headache and palpitation of the heart.

Holloway's Pills are the best remedy known in the world for the following diseases:

Ague	Dropsy	Jaundice	Secondary Symptoms
Asthma	Dysentery	Liver Complaints	Tic-Douloureux
Bilious Complaints	Erysipelas	Lumbago	Tumours
Blotches on the Skin	Female Irregularities	Piles	Ulcers
Bowel Complaints	Fevers of all kinds	Rheumatism	Venereal Affections
Colics	Fits	Retention of Urine	Worms of all kinds
Constipation of Bowels	Gout	Scrofula, or King's Evil	Weakness from whatever cause
Consumption	Head-ache	Sore Throats	&c., &c.
Debility	Indigestion	Stone and Gravel	
	Inflammation

The Infallible Remedy.

Holloway's Ointment.

Contracted or Stiff Joints.

All the medicines in the London dispensaries would barely benefit, much less cure, any chronic cases of contracted or stiff joints; whereas if this invaluable ointment be effectually rubbed into such parts twice a day, the effects will be immense. Paralytic patients even can derive advantages from this fine remedy when other means fail.

Scorbutic Humours.—Scald Head and Skin Diseases.

Scorbutic humors arise from an impure state of the blood, and in most cases the liver and stomach are the organs at fault. The Pills will speedily restore these to a healthy action; while the Ointment if well rubbed in at least twice a day, will soon cure any case of skin disease. Soldiers, sailors, and miners, use this famous Ointment in all parts of the world.

Disorders of the Kidneys, Stone and Gravel.

In any of the above complaints more benefit may be derived in twenty-four hours by adopting the following simple means than is frequently brought about in six months by any other treatment. In bad cases if the Ointment be rubbed into the small of the back over the region of the kidneys, it will quickly penetrate, and, in most instances, give immediate relief. Six or eight of the Pills should be taken nightly according to circumstances.

Diptheria, Sore Throats, &c.

These maladies are of so serious and dangerous a nature that the Ointment would not be recommended unless the Proprietor was sure of its effect. It will cure when every other means have failed, if applied immediately and not delayed until the patient is beyond recovery. It is a sovereign remedy for sore throat. Settled Coughs or wheezing will be promptly removed by rubbing in this unguent. Mothers should rub it into the chest of their infants whenever there is any hoarseness, tightness, or other affection of breathing.

Bad Legs, Bad Breasts.—Old Wounds, Sores and Ulcers.

It is surprising how quickly a sore, ulcer, or wound, deprives the body of strength, and unfits it for the duties of life; but it is no less wonderful to watch the effect of Holloway's Healing Ointment, when it is used according to the printed directions, and assisted by appropriate doses of the Pills. The pain, inflammation, and other morbid manifestations, soon disappear from the affected part and health and strength return.—This treatment creates sound flesh, and therefore makes its cures complete.

Gout and Rheumatism.

Will be cured with the greatest certainty if large quantities of the Ointment be well worked into the complaining parts. This treatment must be perseveringly followed for some time and duly assisted by powerful doses of Holloway's Pills. The essence of these diseases lies in the blood, which has floating through each vessel the pain giving poison which vitiates and inflames every tissue it comes in contact with, and produces the hot, swollen, elastic enlargement about the joints so characteristic of gouty and rheumatic maladies.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Chilblains	Glandular	Sore-throats
Bad Breasts	Chapped Hands	Swellings	Skin-diseases
Burns	Corns (Soft)	Lumbago	Scurvy
Bunions	Cancers	Piles	Sore-heads
Bite of Mosquitoes and	Contracted and Stiff Joints	Rheumatism	Tumours
Sand-Flies	Elephantiasis	Scalds	Ulcers
Coco-bay	Fistulas	Sore Nipples	Wounds

BENSON'S WATCHES & CLOCKS

WATCH AND CLOCK MAKER, BY SPECIAL APPOINTMENT, TO HIS ROYAL HIGHNESS THE PRINCE OF WALES.

Opinions of the London Press upon Benson's Great Clock and Watches in the Exhibition, 1862

"As a sample of English clock-work on a large scale, the works of this are probably the finest finished that have ever been seen in this country. No Chronometer could be fitted with more perfect or carefully adjusted mechanism.—*Times*, June 11, 1862.

"A triumph of ingenuity.—*Telegraph*, March 31, 1862.

"A more splendid and exquisitely finished piece of mechanism we have never seen."—*Standard*, June 7, 1862.

"... one of them ... great ... eauty, and if ... the English watch trade ... only follow up with the same spirit and success this first attempt to compete with foreigners in decorative watches, there seems to be no reason why we should not get the trade entirely into our own hands."—*Times*, June 23, 1862.

"Ranged around the base of the clock were the Watches which Mr. Benson exhibited, and which have been universally admired for the beauty and elegance of the designs engraved upon them. The movements are of the finest quality which the art of horology is at present capable of producing. The clock and watches were objects of great attraction, and well repaid the trouble of a inspection."—*Illustrated London News*, November 8th, 1862

Chlorodyne.

CHOLERA, DYSENTERY, DIARRHŒA, CRAMP, AGUE, FEVER, RHEUMATISM, CONSUMPTION, ASTHMA, COUGH, &c.

ALL PAIN, VOMITING AND DISTRESS ceases in a few minutes after taking a dose of that wonderful SEDATIVE ANODYNE and ANTISPASMODIC remedy, CHLORODYNE, discovered by Dr J Collis Browne M.R.C.S.L., (ex-Army Medical Staff,) the recipe of which was confided solely to J. T. Davenport, 33 Great Russell street Bloomsbury square, London (Pharmaceutical Chemist) The medical testimony of civil, hospital, military and naval practitioners pronounces it INVALUABLE. It relieves pain of any kind, soothes the restlessness of fever, and imparts the most refreshing sleep, without producing or leaving any of the unpleasant effects of opium.

Earl RUSSELL has graciously favored J. T. Davenport with the following extract of a despatch from Mr. Webb, H. B. M.'s Consul at Manilla, dated Sept. 17, 1864:—"The remedy most efficacious in its effects (in Epidemic Cholera) has been found to be CHLORODYNE, and with a small quantity given to me by Dr Burke I have saved several lives." Earl Russell communicated to the College of Physicians that he had received a despatch from Her Majesty's Consul at Manilla, to the effect that cholera had been raging fearfully, and that the ONLY remedy of any service was CHLORODYNE.—See "Lancet," December 31, 1864.

From W. Vesalius Pettigrew M D., Hon. F.R.C.S England, formerly Lecturer upon Anatomy and Physiology at St. George's School of Medicine:—"I have used it in Consumption, Asthma, Diarrhœa and other diseases, and am most perfectly satisfied with the results."

Dr. Gibbon, Army Medical Staff, Calcutta: "Two doses completely cured me of Diarrhœa."

Extract from the General Board of Health London, as to its efficacy in Cholera.

"So strongly are we convinced of the immense value of this remedy, that we cannot too forcibly urge the necessity of adopting it in all cases."

From A. Montgomery, Esq., late Inspector of Hospitals, Bombay: "Chlorodyne is a most valuable remedy in Neuralgia, Asthma and Dysentery." To it I fairly owe my restoration to health after eighteen months' severe suffering, and when all other medicines had failed."

CAUTION.—In consequence of the extraordinary efficacy of this remedy, several unprincipled parties have been induced to vend imitations. Never be tempted to buy Cholorodyne except in sealed bottles, having the words, "Dr. J. Collis Browne's Chlorodyne" engraved on the wrapper. A sheet full of medical testimonials accompanies each bottle. Sole manufacturer, J. T. DAVENPORT, 33 Great Russell street, Bloomsbury, London. Sold in bottles, 2s. 9d. and 4s. 6d. ju24 1yw

ARE THE BEST PURGATIVE PILLS.
ARE THE BEST PURGATIVE PILLS.
ARE THE BEST PURGATIVE PILLS.
NO STRAINING.
NO GRIPING.
NO TENESMUS.
NO PILES.
NO FALSE CALLS TO THE WATER CLOSET.

BUT A BRISK AND THOROUGH EVACUATION FROM THE BOWELS IS ALWAYS SECURED.

Newly Discovered Principles in Purgatives.

Dr. Radway's Pills are the best Purgative Pills in the world, and the only Vegetable Substitute for Calomel or Mercury ever discovered. They are composed of VEGETABLE EXTRACTS FROM ROOTS, HERBS, PLANTS, GUMS, SEEDS, FLOWERS, BARKS, FRUITS AND WEEDS, PREPARED IN VACUO.

One grain of the extract of the medicinal properties of Radway's Pills, possess a greater curative power over disease than a thousand of the crude and inert materials that enter into all other pills in use. These Pills are compounded of the active medicinal properties of the Roots, Herbs, Plants, Flowers, Gums, &c. of which they are composed. One dose will prove their superiority to all other pills. They

PURGE, CLEANSE, PURIFY, HEAL,
SOOTHE, CALM, STRENGTHEN,
INVIGORATE,
And REGULATE THE SYSTEM.

Their Great Combinations.

They are Aperient, Tonic, Laxative, Alterative, Stimulant, Counter Irritant, Sudorific.

AS EVACUANTS.

They are more certain and thorough than the Drastic Pills of Aloes, or Croton or Harlem Oil, or Elaterium; and more soothing and healing than Senna, or Rhubarb, or Tamarinds, or Castor Oil.

IN SUDDEN ATTACKS OF

Inflammation of the Bowels or Stomach, Liver, Spleen, Pancreas or Kidneys, Bilious Cholic or Bilious Fever, Erysipelas or Congestive Fever, Small Pox, Measles, or Scarlet Fever,

SIX TO EIGHT OF DR. RADWAY'S REGULATING PILLS WILL PURGE THESE DISEASES FROM THE SYSTEM IN SIX HOURS.

One dose of Dr. Radway's Pills will cleanse the intestinal canal, and purge from the bowels all offending and retained humors, as thoroughly as lobelia or the best approved emetic will cleanse the stomach, without producing inflammation, irritation, weakness.

STRAINING.

or other unpleasant symptoms. There are no other purgative pills in the world that will secure this desideratum.

BETTER THAN CALOMEL OR BLUE PILL.
BETTER THAN CALOMEL OR BLUE PILL.
BETTER THAN CALOMEL OR BLUE PILL.

AS ALTERATIVES,

They exercise a more powerful influence over the liver and its secretions than calomel, mercury, blue pill, hence their importance in cases of Liver Complaints and Spleen Difficulties, Jaundice, Dyspepsia, Bilious attacks, Headache, &c. In the treatment of Fevers, either Bilious, Yellow, Typhoid, and other reducing Fevers, they are superior to quinine. Their influence extends over the entire system, controlling, strengthening, and bracing up the relaxed and wasting energies, and regulating all the secretions to the natural performance of their duties, cleansing and purifying the blood, and purging from the system all diseased deposits and impure humors.

DR. RADWAY'S PILLS.

ONE TO SIX BOXES WILL CURE

Costiveness,	Jaundice,	Rush of Blood to the Head,
Constipation,	Congestive Fever,	Obstructions,

Bilious Fever,		

If afflicted with either of the above named diseases, one to six boxes of Dr. Radway's Pills will cure you. By taking a few doses of the common Drastic Pills—that gripe and pinch you when they operate—you may obtain temporary relief; but if you stop taking these imperfect pills for a week or a month, your old complaint returns. Now, this is not the method of cure effected by Dr. Radway's Pills. They make a perfect cure, and the patient will not require any more of them.

PILES, STRAINING AND TENESMUS.
PILES, STRAINING AND TENESMUS,

Are the results of inflammation or irritation of the mucous membrane of the bowels, induced by drastic pills—these imperfect pills, instead of being dissolved by the chile, are carried to the lower bowels, and induce a peristaltic movement or evacuation by their irritation—hence the straining, cramps, wrenching pains, piles and tenesmus, and the frequent false calls to the water closet, that patients undergo who take these imperfect pills.

If you would avoid these annoyances, whenever a purgative medicine is required, take a dose of

RADWAY'S REGULATING PILLS.
THEY WILL PURGE THOROUGHLY AND LEAVE THE BOWELS REGULAR.

Persons afflicted with Piles, may rely on a positive cure by their use.

COATED WITH GUM.

RADWAY'S READY RELIEF.

THE GREAT EXTERNAL AND INTERNAL REMEDY,
STOPS THE MOST EXCRUCIATING PAIN IN A FEW MINUTES,
AND
RAPIDLY CURES THE PATIENT.

RADWAY'S READY RELIEF

Proves its superiority to all other Medicines at once.

ITS FIRST INDICATION

Is to relieve the sufferer of PAIN, no matter from what cause it may originate, or where it may be seated.

If in the Head, Face, or Throat;
If in the Back, Spine, or Shoulder;
If in the Arms, Breast, or Side;
If in the Joints, Limbs, or Muscles;
If in the Nerves, Teeth, or Ears;

Or in any other part of the body, its application to the part or parts where the pain exists will afford immediate relief.

IF SEIZED WITH PAIN

In the Stomach, Bowels, or Kidneys;
In the Bladder, Spleen, or Liver;
In the Teeth, Ears, or Throat;
In the Brain or Nervous System;

One teaspoonful of RADWAY'S READY RELIEF to a wineglass of water will, in a few minutes, restore the patient to ease and comfort.

If Lame, Crippled, or Bed-ridden;
If Palsied, Scalded, or Burned;
If Bruised, Wounded, or Cut;
If Strained, Injured, or Disabled;
If Sun Stroke, or seized with Fits;
If Weak in the Spine or Back;

RADWAY'S READY RELIEF

should be applied to the [illegible] afflicted. It instantly relieves the patient from [illegible] quickly heals, soothes, and strengthens the disabled [illegible]. In all cases of Bites of Rabid Dogs, Reptiles, Stings of Poisonous Insects, the application of RADWAY'S READY RELIEF to the wound will prevent inflammation and mortification.

FEVER AND AGUE.

Persons exposed to the Malaria of Ague, or if seized with Chills and Fever, will find a positive Antidote and Cure in Radway's Ready Relief. Let two teaspoonsful of the Ready Relief, in a wineglass of water, be taken on getting out of bed in the morning, and however exposed to malaria you will escape.

WHEN SEIZED WITH

CHOLERA, or Diarrhœa, or Flux,
Dysentery, Cramps, and Spasms;
Bilious Cholic, or Gastritis;
Scarlet, Typhoid, or other Fevers;
Influenza, Coughs, or Colds;
Inflammation of the Stomach or Bowels;

RADWAY'S READY RELIEF
SHOULD BE TAKEN INTERNALLY.

One dose will stop the pain; its continued use will, in a few hours, cure the patient.

HOW IT CURES.

The secondary indication of RADWAY'S READY RELIEF is to cure the patient of the disease or malady that occasions the pain; this it accomplishes rapidly and radically. So swift is the patient transformed from pain, misery, weakness, and decrepitude, to the delightful enjoyment of health and strength, that patients frequently ascribe its talismanic power to the supernatural influence of enchantment.

RHEUMATISM, LUMBAGO, GOUT, NEURALGIA, TOOTHACHE, CROUP, INFLUENZA, SORE THROAT, QUINZY, DIPTHERIA, HOARSENESS, BRONCHITIS, STIFF JOINTS ENLARGED TENDONS, HEADACHE, (Sick or Nervous,) ASTHMA, or HARD BREATHING.

It is truly marvellous how quick RADWAY'S READY RELIEF cures the sufferers of these maladies. The poor, crippled, and pain-stricken Rheumatic has not to wait days before a change takes place, but in a few minutes derives ease and comfort.

LONDON TIMES.

Twenty Years of Sleepless Nights.

Wm. Sydney Myers, Esq., of Havana, Cuba, the correspondent of the London Times, suffered with Acute and Chronic Rheumatism for twenty-five years, and for twenty years he had not enjoyed one whole night's calm rest. He applied RADWAY'S READY RELIEF—it immediately gave him ease and secured him the first calm and undisturbed sleep during the twenty years. The continued use of the READY RELIEF cured him.

PREVENTION BETTER THAN CURE.
THERE IS NO OCCASION FOR SICKNESS.

When you first feel pain, then take a teaspoonful of the READY RELIEF, in water; or apply it to the parts where you feel the discomfort.

ALL MALIGNANT DISEASES

first give warning of their presence, and if met promptly before they become securely intrenched within the system, will be readily expelled.

SIGNS OF SICKNESS.

Headache, Pains in the Limbs—in the Stomach, Bowels, and Kidneys—Cold Chills, and Hot Flushes, Coated Tongue, Burning Skin, Nausea, Shivering, Dullness, Loss of Appetite, Restlessness, Giddiness, &c., &c., are premonitory symptoms of Malignant Diseases. One dose of the READY RELIEF is sufficient to break up and expel diseased action, and restore the patient to health.

IN THE ARMY.

Dysentery, Bilious Cholic, Flux, Yellow, Typhoid and Malarius Fever, Rheumatism, Small Pox, Diptheria, Letters from Medical Directors, Surgeons, and Military Officers endorse the importance of RADWAY'S READY RELIEF over all other medicinal remedies.

EIGHTH MAINE.

Eighth Maine regiment, Serg't C. P. Lord, writes that Radway's Ready Relief saved the regiment from death while quartered at Tybee Island, S. C., when working in the swamps, erecting fortifications. Every man seized with Typhoid and other Fevers, Fever and Ague, Diarrhœa, Dysentery, Rheumatism, was cured by the use of the Ready Relief.

CAUTION.

In all cases ask for Radway's Ready Relief. Take no other. See that the signature of Radway & Co. is on the outside label of each bottle. Every agent is supplied with a new and fresh stock. Price 25 cents per bottle. Sold by Druggists, Merchants and country storekeepers.

RADWAY & CO.,

HOLLOWAY'S PILLS AND OINTMENT—Deranged Stomach, Sick Headache.—Our comfort, happiness, and security depend on the knowledge that most diseases originate from apparently a trifling beginning, and that the large proportion of them spring from inattention to the state of the stomach. Professor Holloway has turned his knowledge to useful account by discovering medicines which cure, without exception, the attendants on disordered digestion. They ward off, likewise, the torturing sick headache. The Ointment should be well rubbed, twice daily, over the stomach, liver and bowels; to them it penetrates, and, aided by the Pills, immediately works a revolution as establishes perfect digestion.
